Yard Waste Collection

WARD 1 - COMPOSTAINER / HERBY CURBY PROGRAM

Yard Waste is the **ONLY material accepted in your compostainer / Herby Curby.**

Recyclables go out for recycling collection - Blue Box (containers), Red Box (paper products).

- **Yard Waste:** Grass, leaves, garden trimmings & vegetable peelings. The compostainer symbol indicates that you put your **compostainer & yard waste** out for collection. Herby Curby containers and other similar wheeled receptacles are accepted.
- **Should you have extra yard waste that does not fit in your compostainer or Herby Curby, please put it in a paper yard waste bag, garbage can/pail or cardboard box and place it out for collection beside your compostainer / Herby Curby.**

Materials NOT ACCEPTED in your compostainer:

Recyclables (go in Blue Box or Red Box), ashes & cigarette butts, foil/stretch wrap, plastic bags, diapers & feminine hygiene products, rocks & dirt, animal waste / kitty litter, uncooked meat or fish, paper towels (used in household cleaning), liquids (milk, oils, juices, etc.)

Compostainer or Herby Curby
(max. 45 lbs)

Hydrant Flushing

Seasonal hydrant flushing in the Town of Essex will be conducted as required from **April to November**. Hydrant flushing is a normal maintenance procedure and may result in customers experiencing rusty or milky water conditions. Please check when running water and if discoloration occurs, run cold water taps until the water clears.

Hydrant flushing will occur between the hours of **6:00 a.m. and 5:00 pm.**

All customers should note that flushing of water mains may be required without notification at various times throughout the year in order to ensure water quality.

Thanks for your cooperation!

essex ALERTS

Resident Alert System

Town of Essex Emergency Alert Program

Get alerted about emergencies and other important community news by signing up for Essex Alerts. This system enables us to provide you with critical information quickly in a variety of situations, such as unexpected road closures, evacuations of buildings or neighbourhoods.

You will receive time-sensitive messages in whatever format you prefer, such as your home, mobile or business phones, email address, text messages and more. Please note, depending on your mobile phone service provider, some fees may apply for receiving SMS messages.

The Town of Essex will regularly test the system to ensure delivery of messages to residents.

DOG TAGS

Did you know that dog tags help reunite owners with their pets quickly? Dog owners in the Town of Essex are required to renew their dog tag for each of their dogs (maximum three dogs per dwelling unit) every year. Owners of registered dogs are invoiced in January.

To avoid a late penalty, residents are encouraged to purchase their tags by March 31, 2026. Fees increase as of April 1st. The annual fee for renewals and new dogs is \$21.10. Fees increase to \$42.20 as of April 1st.

Dog Owners can now access their registration information and pay for their renewals online from the comfort of their home. Please visit www.essex.ca/pets for more information. Dog owners who do not have internet access can purchase or renew their dog tags at Town Hall, 33 Talbot Street South, Essex or at Harrow and Colchester South Community Centre (Arena), 243 McAfee Street, Harrow.

If you no longer have your dog, please inform us promptly by calling 519-776-7336 ext. 1100 or 1101.

Report A Problem

To help keep our community safe and clean, the Town of Essex encourages residents to report problems related to roadways, ditches, storm and sanitary sewers, water, property standards, and a wide variety of municipal maintenance issues.

How to report a problem

Citizens may report problems in the following ways:

- Online at www.essex.ca/reportaproblem
Please review the Report a Problem information page before submitting your problem online.
- In person at any of the Town's facilities.
- Over the phone during our regular business hours (Monday to Friday - 8:30 to 4:30) at 519-776-7336, ext. 1100 or 1101.

To report an urgent problem outside of regular business hours or on the weekend, please call 519-776-7336 and select the option for problems affecting property or public safety.

If the problem is an emergency, please contact 911.

FLOODING

SUBSIDY PROGRAM

As a result of the increasingly frequent and severe weather events related to climate change, the Town of Essex has implemented subsidy programs to assist homeowners to reduce the risk of basement flooding on their private property.

The Town is offering owners of residential dwellings (single family and duplex homes) the opportunity to receive a financial subsidy to disconnect downspouts, complete investigative camera work, install a sump pump and/or back-water valve (flood protection devices), and purchase a rain barrel.

For more information and to apply, visit essex.ca/subsidy

CELEBRATING ONE YEAR OF FOOD WASTE COLLECTION

Thank you to the thousands of Essex-Windsor residents who have embraced “Growing Green” by using the Green Bin regularly.

By placing food waste in the Green Bin instead of the garbage, residents help the Region to “Grow Greener “ by creating fertilizer and renewable thermal and electrical energy. This supports a greener region and preserves the lifespan of the Region’s only landfill.

It’s never too late to become a Green Superhero! For anyone not yet using the Green Bin for food waste and organics, consider giving it a try. “Growing Green” is easier than one might think.

WINTER GREEN BIN TIPS

Using the Green Bin all year makes a big difference.

Winter can be tricky, but following a few simple tips will help you stay green during the colder months.

WHAT GOES IN THE BIN?

Scan the QR code for the Acceptable Materials list.

www.ewsiva.org

TIPS TO PREVENT FREEZING

The Bottom Line? Line The Bottom!

Line the bottom of the Green Bin with food-soiled paper products or packaging such as egg cartons, takeout cartons, etc.

The Early Bird Doesn't Freeze.

If possible, set the Green Bin out **the morning of collection day by 6 a.m.**, not the night before.

Protect Your Bin - Bring It In.

Store the Green Bin in a garage or shed - or place it against an outside wall - to protect it from snow, ice and extreme temperatures.

TIPS FOR SET-OUT

Don't Bank On It!

Snowbanks can make it harder to set out the Green Bin. Be sure to place the Green Bin on a cleared, level area on your property along the street— never on top of snowbanks. Remember: always try to use **Park-Point-Space**.

Download the Recycle Coach app for your Green Bin collection schedule, notifications and updates.

Tree Recycling & Snow Removal

Christmas Tree Recycling Depots:

Residents may drop off live Christmas trees at one of the designated municipal locations identified below, starting Dec. 26th and ending Jan. 31st:

- **Co-An Parking Parking Lot**

11071 Concession 11, McGregor Centre

- **Harrow & Colchester South Community Centre**

243 McAfee Street, Harrow Centre (south end of parking lot)

- **Kinsmen Field House Parking Lot**

120 Fairview Avenue West, Essex Centre

Snow Removal:

During heavy snowfalls, when snowplowing of roads is required, residents are asked to park vehicles off of the road. If a vehicle is creating a problem for the snowplows, it will, UNDER EXTREME CONDITIONS, be towed. The owner will be required to pay the towing and storage charges.

Please help keep our collection team safe by not piling garbage, recycling boxes, or Christmas trees on top of snow banks. Instead, dig out an area beside your driveway.

Snow and ice are potential hazards to everyone - whether on public or private property. Thank you for complying with town by-laws that require residents to clear away and remove snow and ice from all sidewalks adjoining their property. Learn more about property standards and other by-laws which might impact your property at
